and examined and filed OCT. 07, 2019

Title DEPUTY C.S.

County Surveyor's Comment

It is the opinion of the Deputy County Surveyor that the filing of this Corner Record does not comply with Business and Professions Code Section 8765(d), as sufficient monumentation was not shown to establish the precise location of the northwesterly property corner. Monuments or other evidence may exist and if recovered and considered in determining the location of the subject property's corners and lines, may result in materially alternate positions thereof.
